

We Need Quick Action, Michigan Steelworkers!

Back in July, the Michigan Supreme Court ruled in [Mothering Justice v. Attorney General \(usw.to/56S\)](#) that the Legislature violated the state constitution in 2018 by using a shady tactic known as “adopt and amend” to undermine two citizen-proposed statutes. These rulings should pave the way for significant progress — one law to raise Michigan’s minimum wage and another to guarantee paid sick leave for workers.

But right now, the Michigan House is considering two dangerous bills, [HB 6056 \(usw.to/56T\)](#) and [HB 6057 \(usw.to/571\)](#), that aim to undercut this critical ruling. If passed, these bills would strip Michiganders of the wages and benefits they’ve been unfairly denied for the past six years — money and protections workers are owed by law.

The clock is ticking! With the legislative session nearing its end, anti-worker forces are rushing to push these bills through. We cannot let this happen. They must hear from YOU, loud and clear: Protect Michigan workers. Stop these harmful bills.

Michigan has a proud legacy of fighting for the middle class. These bills — HB 6056 and HB 6057 — are a direct attack on that legacy and on the working people who need fair wages and benefits the most.

**Don't wait. Act now to demand justice for Michigan workers.
Together, we can stop this attack on our progress.**
